NETSUITE.ORG FOR NONPROFITS AND SOCIAL ENTERPRISES

Supporting the Success of Nonprofits and Social Enterprises with Free Software and Pro Bono Support

Whether your mission is serving the local community or providing international outreach to empower and educate for global causes, one thing is certain—you're working incredibly hard to fulfill your mission, while being a good steward of donor dollars.

With NetSuite's unified business management solution, nonprofits and social enterprises like yours can manage their entire organization in NetSuite's cloud-based application—integrating nonprofit accounting, fundraising, donor and volunteer records, inventory management, and ecommerce.

What We Offer
NetSuite.org makes a standard donation of NetSuite and LightCMS available at no cost or a significant discount.

"By deploying NetSuite OneWorld, we are gaining much-needed standardization, accountability and transparency across our entire organization so we can more effectively budget and plan." — **Ashoka**

Key Benefits of NetSuite

- Gain visibility into your financial health with a powerful nonprofit and financial management and accounting system.

- Demonstrate efficacy of dollars spent to dollars raised.

- Measurably describe your service delivery impact.

- Break down silos and empower your organization with a 360-degree view of your donors, volunteers, supporters and clients.

Key Benefits of LightCMS

- Create a beautiful, functional website with the LightCMS content management system.

- Take control of your organization's messaging with an easy-to-update platform.

- Create and manage an online web store.

Who Can Apply for Software

Organizations who are officially registered as a nonprofit or social enterprise in their country of origin and who can demonstrate their social impact.

How to Apply:

1. Nonprofits and social enterprises apply here: NetSuite.org/apply-for-donation

2. NetSuite.org qualifies the organization

3. Organization receives a software donation and is eligible to apply for SuiteVolunteers pro bono support

Software Donation Terms

As a qualified nonprofit/charity, you can receive the base software donation at a 100% discount off list prices. Additional users and modules may be purchased at a significant discount which is determined by your organization's previous year's revenue.

	Annual Revenue of the Nonprofit/Charity	
	$0-$5M	$5M
Base Donations	Donated 100%	Donated 100%
Additional Items*	80% Discount	50% Discount

*Additional items refer to add-ons, users and associated support only. Discounts do not apply to training, professional services or platinum support.

The donation terms of other NetSuite products (i.e. LightCMS) are slightly modified.
